What about Road Watering in Alaska?

See the document:

Photo Gallery: Applying Water or Palliatives in Alaska

By sprayer truck,

Pickup or flatbed sprayers (including “Alaska Sprayer”)

Trailer sprayers (including Apun Sprayer-Trailer and Kawerak’s)

Did you notice…?

- What was the road surface?
- Who or what provided the labor?
- Was the sprayer designed for small or large amounts of water?
- How was the sprayer made?
- The children playing behind the sprayers?
- The dogs, elephants and monkeys?
