

# ALASKA DEPARTMENT OF ENVIRONMENTAL CONSERVATION

## Underground Storage Tank Financial Responsibility Form

Owners or Operators of Underground Storage Tank (UST) systems are required to provide proof of Financial Responsibility (FR) annually to the Alaska Department of Environmental Conservation (ADEC.) FR submittals or verification of FR are also required when installing a new UST, responding to a cleanup, changing ownership or FR mechanisms, or at the request of ADEC. Financial Responsibility is required for USTs owned or operated by private parties or local governments.
