Ineligible activities are 1) Activities that do not provide public benefits, and 2) Enforcement activities	25% non-federal match required for total project costs.

APPENDIX B
Table of Estimated Funding Sources*
ACWA SFY18 Grant Solicitation

The funding sources and the approximate anticipated funding available for SFY18 are shown above. Projects applying for possible 2 year funding will be evaluated with a final decision on funding for the first year of the project and a tentative decision will be made on the 2nd year of the project with final determination of funding during the next solicitation cycle. Additional funding may become available prior to final grant award date. Any additional funding will be added to the estimates above and applied during the review and award stage of the solicitation process. All awards are subject to appropriation and availability of funding from the sources identified.

**Non-profit organizations exempt from taxation under section 501(c)(4) of the Internal Revenue Code that engage in lobbying activities are ineligible to receive subawards under the Clean Water Act or Beach Act.
