**Check one of the following boxes**

- This vessel has left the marine waters of the state and will not be discharging in marine waters of the state.
- This vessel is no longer owned or operated by the original permittee.
- This vessel will continue to operate in marine waters of the state. A Vessel Specific Holding Plan detailing holding tanks that shall be used and procedures that shall ensure that a discharge of waste water will not occur in marine waters of the state is included with this request for termination.

**Signature and Certification for Notice of Termination**

Certification: I certify under penalty of law that this document and all attachments were prepared under my direction or supervision in accordance with a system designed to assure that qualified personnel properly gather and evaluate the information submitted. Based on my inquiry of the person or persons who manage the system, or those persons directly responsible for gathering the information, the information submitted is, to the best of my knowledge and belief, true, accurate, and complete. I have no personal knowledge that the information submitted is other than true, accurate, and complete. I am aware that there are significant penalties for submitting false information, including the possibility of fines and imprisonment for knowing violations.

I understand that by submitting this Notice of Termination I am no longer authorized to discharge wastewater into marine waters of the state as defined in AS 46.03.490(8) and AS 46.03.490(18). I also understand that the submittal of this Notice of Termination does not release an owner or operator from liability for any violations of this permit.
