Re: **Notice of Termination under Cruise Ship Wastewater GP for Holland America
*Oosterdam***

Dear Capt. Morani:

In 2008, the *Oosterdam* was authorized to discharge wastewater in Alaska under the Large Commercial Passenger Vessel Wastewater Discharge General Permit (GP) No 2007DB0002.

On May 15, 2009, the Alaska Department of Environmental Conservation (DEC) received your signed letter stating that the *Oosterdam* is not sailing in Alaska in 2009. Holland America has subsequently requested a Notice of Termination for the vessel.

Effective today, DEC has terminated authorization number 2007DB0002-0011 for the *Oosterdam*. This ship is no longer allowed to discharge wastewater in Alaska.

If you have any technical questions concerning this notice of termination, please contact Denise Koch at denise.koch@alaska.gov or (907) 465-5312.

Sincerely,

Denise Koch
Cruise Ship Program Manager
