Dear Utility:

After mailing the final State Fiscal Year 2010 Funding and Planning Priority Lists for the Alaska Clean Water program last month, it was brought to our attention that an error occurred on the Non-Point Source Funding Priority List, Group 1 ARRA Eligible projects. The project identified as the Wrangell Street Sweeper project, which was determined eligible for placement in the Group 1 ARRA Non-Point Source Funding Priority List was erroneously listed under the Group 2 ARRA Non-Point Source Priority Planning List. We have taken corrective action by moving the Wrangell Street Sweeper project from the Group 2 ARRA Non-Point Source Priority Planning List to the Group 1 ARRA Non-Point Source Priority List (enclosed). All other changes made were a result of making this change.

We apologize for any confusion or misunderstanding due to this change. If you have questions or concerns, please do not hesitate to contact me directly in Anchorage at (907) 269-7616.

Sincerely,

Michael P. Lewis, P.E.
